Area Search with Live Subject & Large Source Cadaver
Field Test Prerequisites

Handler's Name:	Dog's Name:	Date:
-----------------	-------------	-------

The team being tested must provide documentation verifying completion of all the testing prerequisites before the field test may be taken. Copies of original documents showing successful completion of the following shall be presented in an organized fashion (notebook, stapled, folder, etc). NSDA may request copies in advance of the actual testing event. If so, the documents will not be returned. ******If this is an NSDA recertification, you will only need to present the five (5) items with the red asterisks plus a copy of previous certificate***

RECERT NEW CERT

The candidate is required to take and pass the Discipline Prerequisite test prior to any discipline specific test - see online testing www.n-sda.org.
