1. Individuals are responsible for paying the expenses of either traveling to an Evaluator or bringing an Evaluator(s) to their location. If you have three to nine (3 - 9) handlers testing and less than ten (10) tests in one location, there is a possibility of receiving some reimbursement for these expenses by applying for one (1) \$300. grant. Only one (1) \$300. grant is allowed for each group* per year.
2. Please make sure you have first filled out and sent to the Testing Manager at rdyer@n-sda.org the **NSDA Testing Form for Individuals and Small Groups** located under the testing tab at www.n-sda.org. This will give the appropriate people a head's up that a test is going to occur.
3. Then, after the testing is complete, fill out **the Grant Application for Reimbursement for Evaluator Expenses** form on page 1. This is also found under the testing tab at www.n-sda.org - Please note it is currently labeled **Request Grant for Evaluator** on that page.
4. After testing, the primary contact shall send the **Grant Application for Reimbursement for Evaluator Expenses**, and an accounting of expenses, with original receipts, to the Assistant Financial Officer. The Assistant Financial Officer will send reimbursement up to \$300 to the primary contact on the application for distribution to Evaluators.

If you have six (6) handlers or more and ten (10) tests or more, consider applying for Regional Testing. Contact the Testing Manager, Rhonda Dyer at rdyer@n-sda.org or fill out the Regional Testing form also found under the testing tab at www.n-sda.org and forward it to the Testing Manager.
